

2011 CHILD DISABILITY AWARENESS SPEAKER SERIES

Helping Your Child with Qigong Massage

COME LEARN ABOUT A SENSORY TREATMENT OPTION FOR YOUNG CHILDREN WITH AUTISM,
AND OTHER DISABILITIES THAT PARENTS CAN PROVIDE AT HOME.

- Understand the theory behind Qigong massage
- Learn how Qigong Therapy works as a sensory treatment to improve development
- Discover how a child's sensory nervous system works and the challenges when it can't process information properly
